03	THE EXTENSION PROCESS FOR VISITING/POSTDOCTORAL RESEARCHERS	49 DAYS

Responsible

Job Processes

Duration

START

Project manager

The request for an extension, along with the justification, is submitted to the unit up to 1 month before the end of the research period.

30 Days

Relevant University Units and Departments

The relevant unit evaluates the request and submits the assessment report to the MİSAK coordination office within 15 days following the request.

15 Days

MİSAK

The MİSAK coordination office forwards the assessment report to the rectorate.

2 Days

Relevant University Units and Departments

The decision for the extension is communicated to the applying unit by the coordination office and, in turn, conveyed to the researcher through the inviting faculty member.
